

# Artyowl.com

ArtyOwl.com brings to you a true artist who creates Magic out of wood. Driven by force of creating something unique, designer Fameo D'souza of Maple Mallet has a rare relationship with his furniture where designing doesn't stop when he leaves his workshop, as he continually develops his designs till they evolve into three dimensional objects.

This passion of Mr.Fameo caught ArtyOwl.com's eye and ArtyOwl.com provided him with an exclusive platform on their e-commerce marketplace portal.

It's the continuous Endeavour of ArtyOwl.com to promote & support such passionate artists, their work and spread the passion for handmade art to the world. ArtyOwl.com handpicks such unique talent and brings them on this platform, providing them with complete back up of Payment Gateways, logistics support and much more.

ArtyOwl.com is proud to have Maple Mallet and many more such vendors on our website.

If you create such unique "OUT OF THE BOX " creations register to sell with ArtyOwl.com or simply shop and keep exploring these treasures. The ArtyOwl.com will regularly bring such featured artists to you. Keep LOOKING.
